## Would Repeal Tonkin Gulf Resolution

By WALTER R. MEARS  
Associated Press Writer  
WASHINGTON (AP) — Sen. Charles C. Mathias proposed today that Congress repeal the Gulf of Tonkin resolution, prod- Salton toward reform, and endorse President Nixon's plan for accelerated withdrawal of all American forces from South Vietnam.

The Maryland Republican advocated those steps as part of a foreign policy resolution aimed at "clearing away the debris of cold war dogmas."

In a speech prepared for the Senate Mathias proposed repeal of a package of past congressional resolutions he said were "interpreted as relinquishing broad authority to the executive to intervene militarily around the world."

Mathias called the Tonkin measure, cited by former President Lyndon B. Johnson as authority for the stepup in U.S. involvement in Vietnam, as "the most questionable of all."

## Land Cases (From Page One)

Theola McAllister and others near Morrilton.

The jury awarded the land owners compensation of 6,500. The commission argued that the sum was excessive on grounds that it was not supported by substantial evidence.

Fogleman wrote that the Supreme Court believed that the evidence was substantial enough to support the verdict.

The high court reversed Circuit Court in Woodruff County on the conviction of Jimmy Spivey and Freddie C. Payne on charges of burglary and grand larceny last Aug. 4. Each man had been given a two-year sentence.

The charges stemmed from burglaries last Feb. 27 in two rural areas near McCrory. In one theft, burglars took a television set and a rifle; in the other, an adding machine and a rifle were stolen.

During the trial, W. V. Vincent testified that he bought an adding machine at an auction and was contacted by Spivey about the purchase of eight guns.

Defense attorneys objected when this testimony was begun, but Judge Elmo Taylor overruled them.

**HE GETS LETTERS.** Sen. Charles Goodell, R-N.Y., rummages happily through sheaves of telegrams, letters and postcards which he said were overwhelmingly in support of his bill to withdraw U.S. troops from Vietnam by Dec. 1.

they're being.

There are times when a guy just doesn't have time to decide whether he is a "Mikado" or a "Geisha," or a "Caballero" or a "Condesa," or a "Wahine" or a "Kanaka."

I go helter and skelter trying to find whether I'm "Hero" or "Leander" and never know who to ask. Why do they have to get so jazzy about something so basic?

Like, I wasn't born on a farm of anything, and I honest to Pete don't know whether I'm a drake or a duck or a ewe or a ram or a filly or a colt? You get what I'm driving at, Doc?

Decisions. Decisions. There's this place down in New Orleans, where one facility is called "Diamond Jim" and the other, "Lillian Russell," which is fair enough. But right next door is a German beer stube where you got to know pretty quick all about Hansel and Gretel, and down the street, a Greek restaurant with "Trollus" and "Cressida" on the doors we're talking about in the basement. And what about all those sea food houses with "Gulls" and "Guys"?

Would you believe the Hilton hotels, which are supposed to be making travel easier, have got two doors in Cyprus marked "Othello" and "Desdemona"?

And there's this swinging discotheque in the Kings Road, London, where they got separate rooms for "Daphnis" and "Chloe." I don't know what kind of place it is, but I always thought they were two fellows, like Damon and Pythias, but I could be wrong about all four.

Which is why I don't get to Howe Cavern. I just don't plain know if I'm a stalagmite or a stalactite. How much time I got left on my hour, Doc? I get pretty worked up and could go on and on.

Road Builder

Most of the good roads in use today can be traced to a 19th-century Scottish merchant named John McAdam, who became disgusted with the condition of the roads in his district and devised a system of ground-up stones covering a raised surface for good drainage, according to the Encyclopaedia Britannica.

**Says Farming Can Go Without Subsidies**  
By DON KENDALL  
AP Farm Writer  
WASHINGTON (AP) — The Nixon administration thus far has not demonstrated that it wants to phase out present farm programs but the trend toward a free agriculture is irreversible, one of the country's top farm leaders said Sunday.

Charles B. Shuman, president of the American Farm Bureau Federation, told a news conference that it is just a "matter of time" until farmers will be able to produce without government restraints and payments.

Shuman said he has been encouraged by some of the things said by administration leaders but added that he has not seen a "real firm direction" for phasing out government controls, payments and other devices considered by the Farm Bureau as obstacles to a market-oriented farm economy.

Shuman said the administration has yet to recognize that present programs—which cost about \$3.5 billion a year in direct payments to farmers—actually hurt producers more than they help.

His comments were made at the opening of the Farm Bureau's 50th anniversary convention. About 6,000 persons are expected to attend the meeting which runs through Thursday.

**Firefighters Against Proposal**  
HOT SPRINGS, Ark. (AP)—Firefighters in Arkansas will be urged to oppose the proposed new state constitution unless a provision dealing with municipal authority is altered.

The Executive Board and Legislative Committee of the Arkansas State Firefighters Association Sunday recommended opposition to the proposed constitution unless Article 6, Section 12 is changed.

The provision, in effect, gives a municipality any legislative authority pertaining to local affairs not denied it by the constitution or the legislature.

## Wimberly Is Rotary Speaker

"Arkansas' New Economic Frontier" was discussed by Bob Wimberly of the Brooks Advertising Agency of Little Rock at the Rotary Club's luncheon meeting last Friday in the Town and Country. According to the speaker, Arkansas is moving from a primarily agrarian state to one with a well-balanced economy. The greatest change in the next 10 to 25 years will be the increase in what he called the leisure industry.

The "industry" ranges from the manufacture of equipment for the use of campers, sportsmen, and vacationers, to the attraction of visitors to the area with a threefold appeal—to play, to work, and to live here. Because there is great competition in the tourist industry, Mr. Wimberly had some advertising layouts that will appear in national publications in coming months that show the many attractions Arkansas offers.

As part of the delegation for Arkansas Week in San Diego, Calif., last summer, Bob Wimberly and several comments about Hope representatives Pod Rogers and Carter Russell. He also praised them for the splendid publicity they brought to Hope, and he suggested that our town begin now to make plans for our centennial year, 1975.

President Benny Coleman welcomed one visiting Rotarian, Ben Harding of Prescott, and a large number of guests: Bob Wimberly and Bob Plunkett of Little Rock; Mrs. Charles A. Haynes of Washington; the Rev. Lloyd Middleton, who is holding revival services at the First Assembly of God Church; Wayne Sunderlin, Carter Russell, Pod Rogers, and Haskell Jones.

## Tax Issue (From Page One)

would hit tax-exempt business groups equally with unions, but he concedes his great concern is with labor.

"It has been estimated," he says, "that over \$100 million were spent by labor unions in the last national elections, not including wages and salaries of those in every-day activities that are truly involved in political endeavors."

"One of the things which makes this practice so iniquitous is that much of this money is collected by the union leaders under arrangements which give a man no choice but to belong to a union."

The AFL-CIO contends these activities are legitimate because the funds are received in voluntary contributions from union members and because they are paid out not by the labor organization itself but by a separate group, the Committee on Political Organization—COPE.

So far during floor debate, the Senate has cut back substantially on the House-passed tax reform bill while voting for a number of politically popular riders, including a big increase

in Social Security benefits.

Two leading Senate Republicans suggest these votes are part of a Democratic scheme to pack the bill with costly provisions which would force President Nixon to veto it.

"I expect there are a lot of people who would like to see it vetoed, either for political or pecuniary reasons," said Sen. George D. Aiken, R-Vt., the Senate senior Republican.

Assistant GOP Senate Leader Robert P. Griffin of Michigan said "if you get a President to veto a social security and tax relief bill, it looks like a clever political maneuver."

But Griffin added "I think it will backfire. I think the people will see through it— if that is the strategy."

Senate Democratic Leader Mike Mansfield denied there is a plot to bring on a veto.

Wisconsin Rep. John W. Byrnes, the GOP's House fiscal expert, also attacked the Senate's work so far on the bill.

He said unless the conference committee which will consider the Senate and House versions end up with a fiscally responsible measure, President Nixon will have "no alternative but to veto the bill."

However, several senators on both sides of the aisle told a re-

## Israel Has Denied Claims From Cairo

By THE ASSOCIATED PRESS  
Israel has denied Cairo's claim that 250 Egyptian troops crossed the Suez Canal and occupied Israeli positions for about 24 hours.

"Nothing of the kind is known to us," said an Israeli spokesman in Tel Aviv. "No Egyptian force entered any Israeli stronghold, neither did it remain there or blow it up."

Today, Israeli jets attacked Egyptian military targets in the central Suez Canal area for 20 minutes, the Israeli command announced. It said all the planes returned safely.

Egypt claimed that its troops crossed the northern part of the canal Saturday night and occupied positions on the Israeli side.

"Our troops succeeded in forcing the enemy to retreat three miles from the raided area," the communique claimed. "Both sides exchanged artillery and tank fire."

The House tax reform bill, which includes repeal of the 7 per cent investment credit and reduction of the oil depletion allowance from its present 27 1/2 per cent to 20 per cent would result in an estimated net gain of \$2.2 billion in revenue for calendar year 1970.

However, it would result in a net loss of \$1.4 billion in revenue in 1970 and vary up to 1979 when the estimated net loss in revenue would total about \$2.4 billion.

No one is mediocre who has good sense and good sentiments. — Joseph Joubert. South African statesman.

The Senate, however, has also voted to increase the personal tax exemptions from \$600 to \$800, reset the oil depletion allowance at 23 per cent and made various other changes which would give further tax relief and result in added losses in revenue.

### YOUTH ASKED FOR IT!

This column is for young people, their problems and pleasures, their troubles and fun. As with the rest of Helen Help Us!, it welcomes laughs but won't dodge a serious question with a brush off.

Send your teenage questions to YOUTH ASKED FOR IT, care of Helen Help Us! this newspaper.

### COULD THIS BE TRUE?

Dear Helen: I heard on television that the latest fad is fur coats out of cat fur! I mean domesticated cats. Could anyone sink that low?

I get visions of catnappers who would steal children's pets to sell them to furriers. Would YOU wear a cat coat, Helen?—RE-VOLVED

Dear Rev: No way! But then I don't wear a sable coat either—and for different reasons.—H.

Dear Helen: My husband is the kind of man any woman would want. That's the trouble! They do.

Especially at the annual Christmas party given by his office. The secretaries who plan these brawls make it clear that wives aren't invited, and at least three of them are eager divorcees who have made unsuccessful plays for my man. He is resistive but he is human. He has to attend, as he is one of the bosses.

He even has to contribute money for the liquor that those gals hope will start a "beautiful relationship" — with somebody else's husband. I happen to know as I was a secretary once myself and listened in on the plans. Many an office affair got its start at the Christmas party.

Well, this year things will be different. Today I called every one of the wives, disguising my voice, I said I was "Miss Smith, in charge of the Christmas party, and we were making wives the special guests of honor this year, so be sure to come!" All but one accepted immediately.

There will be a lot of surprised men at the dinner table tonight. By the time the secretaries hear about the hoax, it will be too late. I can't imagine even the most brazen calling up the wives and saying, "It was a mistake—you aren't wanted at our party."

I write this in hope that you'll put it in your column and give other disgruntled wives an idea about how to squash the annual Christmas orgy.—SMART AND SNEAKY.

Dear S. and S.: Do let me know how things turn out. I'm a patsy for "happy" endings!—H.

Dear Helen: We've heard how terrible townspeople act toward the hippies, but how about the other side of the story?

I have a country store near a hippie commune. They'd wander in barefooted and ragged, with clothes so dirty they were stiff, if that wasn't enough to drive off other customers, they'd unscrew the lids of jelly and peanut butter, dip their fingers in and lick them. Their "share the wealth" policy meant they

would pick up anything loose and put it under their ponchos. Finally, I made a rule that only one member of the commune could buy for all. That way, I could watch him!—STORE-KEEPER.

Dear Helen: I agree with the middle-aged lady who stood up for the hippies. My husband is in business where he comes in contact with these people. We have noticed that they are kind, not only to each other but even to people who don't treat them very well. They are consistently polite and have some of the best manners I've seen around. Also, they are nice to talk to.—I.F.

HOLLYWOOD, CALIF. (Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S.

Because this diet really works. We have testimonials reporting on its success. If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. ## Television and Radio

NEW YORK (AP) — CBS network executives hope that the midseason replacement of "The Lesellie Uggams Show" with Glen Campbell's variety hour will help the ratings of the program that follows, "Mission: Impossible."

After several fairly successful seasons, the adventure series seems to be dropping in the ratings.

One view is that the weak Uggams "lead-in" affected the program's popularity.

Another is that the angry departure of both Martin Landau and Barbara Bain, in a salary dispute, has something to do with the smaller audiences.

A third opinion, offered here, is that the format of "Mission: Impossible" is so rigid and the story lines so much the same that viewers, after plenty of exposure to the, are losing interest.

Sunday night's hour was the usual complicated skein of disguises and fakery in which the heroic team saved the throne of a good king from the plotting of his evil brother. It featured a phony kidney transplant operation, but that was only a slight variation of a familiar theme.

The greatest disaster in show business is a comedy-fantasy that doesn't come off. Saturday night's "The Littlest Angel" had the hard luck to be a musical-fantasy-comedy and was so cute and coy about heaven and Christmas it must have turned away a lot of viewers.

This 90-minute "Hall of Fame" adaptation of a well known story received a lavish production—heaven, where most of the scenes were played, was beautiful, all soft clouds with backgrounds of stars and angels with fine white robes, big wings and golden halos.

Johnny Whitaker of "Family Affair" seemed uncomfortable playing an 8-year-old shepherd boy who goes to heaven and doesn't like it.

The musical score was bouncy, undistinguished, and like the dialogue tended toward the saccharine. Some very talented, attractive performers were mixed up in this—Fred Gwynne, E.G. Marshall, Tony Randall and Connie Stevens. They were wasted as was John

### Charming Chains

Chains are still here—but put some pizzazz into wearing them. Some suggestions: Clasp two or three chain belts around the waist, then loop a Gypsy sash around them; wear a chain with a pendant around the neck, then another knotted chain over it, and a thin or thick chain over all.

Mrs. Friedan said that future storms "might be named after animals, flowers or other categories."

The board also had a word or two for Mrs. Nixon, whose "widely publicized statement that there is little discrimination against women in America indicated a need for intensive briefing," Mrs. Friedan said.

As for storms, the board urged the Hurricane Center at Miami to "choose names other than women's names in designating unwelcome, destructive hurricanes."

## Hope Going to Ouachita Tournament

By RALPH ROUNTON  
Star Sports Writer

With a 2-1 record behind them, the Hope Bobcats start a big week tonight (Monday) by facing Ouachita High in the OBU Invitational at Arkadelphia with a 7:45 p.m. tipoff.

Ouachita is a perennial Class A power and a frequent visitor to the state tournament in Little Rock each March. It is a basketball school located at Friendship, six miles north of Arkadelphia. Against such big, experienced, running opponent, the Hope Bobcats will have to do their thing well. Foul trouble plagued the Cats' big men throughout the 54-44 victory over DeQuena last Friday night, but the result was that the bench help was effective.

That depth is an asset that will have to improve with experience, because the schedule will get plenty tough come January and the 4-A slate.

Height has been supplied by 6-6 soph John Dudley and 6-5 senior Larry Muldrew, who still are working on defensive and shooting effectiveness. Charles Rateliff, a junior, and soph Lynn Norton are a pair of 6-2 forwards who are coming along.

Ronny Brown, Tommy Webb, and Parker Powell are gaining shooting confidence outside, which is important in the Bobcat offensive scheme to prevent zone defenses from killing the inside game. Also in the backcourt, Ronnie Massanelli and David Briggs are two good defenders with good jump shots, and Thomas Norrell might play either forward or guard.

New coach John Ross is trying to pick up the pieces from two consecutive seasons with a 12-34, and is working with few experienced hands. "We have a good winning attitude, though," says Ross, and that's the basis for making the foundation for success.

Tomorrow night (Tuesday) the scene shifts to Gurdon, where the Bobcats and Lady Cats will travel for a set of games against the Goodwins starting at 6:30 p.m.

On Wednesday evening, the Yenger Junior Kitty Cats play in the Belvins Tournament, and on Thursday the "B" boys open their season at Mineral Springs along with the senior girls. Also, the Bobcats will be in the OBU semifinals Thursday if they win tonight.

Finally, on Friday evening the Bobkittens and Bobcats go to Foreman to take on the Alligators, new entrants into District 7-A.

## Martin Pulls Big Upset Over Liston

LAS VEGAS, Nev. (AP) — Leotis Martin, winner of a stunning upset over Sonny Liston, is trying to get a fight with Joe Frazier or Jimmy Ellis for a piece of the world heavyweight title.

"I'll take either one, any time or any place," Martin said. His manager, William "Pinny" Schafer, said, "We've got a score to settle with Ellis."

The World Boxing Association recognizes as champion, Ellis, who defeated Martin Earl in the WBA heavyweight elimination series Aug. 5, 1967. Frazier is champion of five states.

The North American Boxing Association, composed of nine states and Mexico, now recognizes Martin as North American champion.

Martin, 29, a 13-5 underdog, suddenly knocked out the 37-year-old former champion Saturday with a left hook and right cross in 1:28 of the ninth round.

## Minnesota Hands Rams First Loss

By ED SCHUYLER JR.  
Associated Press Sports Writer

An early happening in Los Angeles helped shatter the Rams' dreams of an unbeaten season and left them thinking about a Dec. 27 date in the Minnesota northland when a lot more than pride will be at stake.

"That kickoff return was something that just happened," Minnesota Coach Bud Grant said Sunday after the Vikings handed the Rams their first defeat of the season after 11 straight victories.

What happened on the return of the kickoff—the opening one of the game—was a 78-yard run by Charlie West to the Los Angeles 22 to set up Dave Osborn's four-yard touchdown run that gave the Vikings a lead they never lost.

It was the 11th straight victory after a season-opening loss for the Central Division champion Vikings, who will play the Coastal Division champion Rams for the Western Conference title Dec. 27 in Minnesota. Dallas, 9-2-1, struggled through the rain and snow in Pittsburgh to edge the Steelers, 1-10, and clinch the Capitol Division and the right to meet Century Division winner Cleveland for the Eastern Conference championship.

In other NFL action Sunday, Washington, 6-4-2, outlasted Philadelphia, 4-7-1, 34-29; the New York Giants, 4-8, smashed St. Louis, 4-8-1, 49-6; Cleveland, 9-2-1, topped Green Bay, 6-6, 20-7; Atlanta, 4-8, drubbed New Orleans, 4-8, 45-18, and Detroit, 7-4-1, tied Baltimore, 7-4-1, 17-17. San Francisco, 3-7-2, walloped Chicago, 1-11, 42-21 Saturday.

Kansas City edged Buffalo 22-19, San Diego downed Boston 28-18, Oakland took Cincinnati 37-18 and Miami nipped Denver 27-24 Sunday and the New York Jets defeated Houston 34-26 Saturday in the American Football League.

After Osborn scored, Minnesota took a 14-0 lead on Bill Brown's one-yard touchdown run. Bruce Gossett then kicked a 37-yard field goal and the Vikings' Fred Cox booted a 39-yarder as Minnesota built up a 17-7 halftime lead.

Cox and Osborn exchanged second half field goals and then Roman Gabriel brought the Rams their touchdown on a game from out of his past, a game in the tradition of the dramatic style that was his trademark in the decade he dominated the game.

The gallery was relatively small, about 10,000, but the all were with Palmer.

"Go, Baby, Go," they pleaded. He started to move on the fifth hole, canning a 10-foot birdie putt while Brewer, with a six-shot lead going into the day's play and playing one two-some back, took the first of three consecutive bogeys.

"You have a feeling, a sixth sense sort of thing when it's going to happen," Palmer said. "I thought at six, when I birdied and Gay bogeyed, that I might have it going."

Brewer, who finished with a 73 for 272, and Palmer parred the next three holes but Gay went one more ahead with a birdie on 13. He might as well have waved a red flag at a bull.

Palmer put a four iron eight feet from the hole on 14 and made the putt. He was one stroke back. A nine iron to four feet on the 15 and it was even.

Gay bogeyed the 16th from the woods and Arnold was alone in front.

He nailed it down with birds on the last two holes, two-putting the par five 17th and running in a 12-footer on the last hole.

"Nothing went right," Brewer said.

Lee Trevino closed with a 66 to take third at 274 with Hal Underwood and Larry Hinson sharing fourth at 275, each with a final 69. Masters champion George Archer had a course record 64 and was alone at 276.

Palmer's victory pushed his earnings past \$105,000 for the year and put him in the top 10.

Running back Harmon Wages and quarterback Bob Berry were the big guns in Atlanta's trouncing of New Orleans. Wages scored on an 88-yard pass from Berry, ran 66 yards for a touchdown and passed for another. Berry also passed for two other touchdowns. Bill Kilmer passed for a touchdown and Ernie Wheelwright ran for one for the Saints who had a three-game winning streak stopped.

Errol Mann, who missed four previous attempts, kicked a 29-yard field goal late in the game to give Detroit its tie with Baltimore. Detroit built up a 14-3 lead on Bill Triplett's 22-yard touchdown run and John Wright 26-yard scoring trip with a recovered fumble.

## Texas Tech to Get New Grid Coach

LUBBOCK, Tex., (AP) — Texas Tech was expected to announce today that a new head football coach will be directing the Red Raider gridiron fortunes next autumn.

The current coach J.T. King who has an overall record of 44-43-3, was expected to be promoted to athletic director. The shakeup also will involve placing the current athletic director, Poik Robinson, in an administrative position.

The Texas Tech Board of Regents met Saturday and refused to take action on the renewal of King and Robinson's contracts which still have a year to go.

Earlier, the board refused a request by King and Robinson for a five-year extension of their contracts. Both reportedly asked for \$3,000 raises to \$23,000 per year.

Robison and King met for two hours Sunday with Dr. Glenn Barnett, executive vice president of Texas Tech.

The meeting was a preliminary step toward an announcement that Retha Martin, chairman of Tech's Board of Regents, said would be made to day concerning the athletic situation.

Neither King nor Robinson would comment on the meeting. The Lubbock Avalanche-Journal said that when the proposed changes take place Tech would seek a college coach with a national reputation.

Radio Station KLBK said it was informed by reliable sources that Abilene Cooper High School coach Merrell Green, a former Tech assistant coach, would be named to succeed King.

Abilene Cooper advanced to the state quarterfinals this year. King took the head coaching job in 1961 after Tech had completed its first year in big time college football in the Southwest Conference.

King has had seasons of 4-6, 1-9, 5-5, 6-3-1, 8-2, 6-4, 5-3-2 and 5-5 this year.

His overall record during those years is third best in the SWC. He was named Senior Coach of the Year by the Texas sports writers in 1965.

## Quicken Tree Winner at Aqueduct

By ED SCHUYLER JR.  
Associated Press Sports Writer

When it comes to displaying winning form, Quicken Tree seems to do it best at two miles. Louis Rowan's 6-year-old gelding won the two-mile Display Handicap in 1967, the two-mile Jockey Club Cup last year and the Display again Saturday in a stakes record 3:20 1-5.

His margin at the end of the \$60,000 Display at Aqueduct, the nation's longest handicap stakes on the dirt, was seven lengths over Meadow Stable's Hydrologist, with Gustave Ring's Ship Leave third. Doug Thomas, who rode seventh-place Good Manner, claimed foul against jockey Fernando Alvarez and Quicken Tree, but it was disallowed.

Quicken Tree carried 114 pounds, two less than Hydrologist and two more than Ship Leave, and paid \$6.00.

Mr. and Mrs. S. J. Agnew's Terlagio won the \$25,000-added San Mateo Stakes for 2-year-olds at Bay Meadows; Howard Y. Haffner's Due by Right took the \$24,450 Senatorial Stakes for 2-year-olds at Laurel; Holly Crest Farm's Jekyll scored in the \$22,200 Garrison Handicap at Liberty Bell Park.

## Arkansas-Texas Game Had the Whole Nation Thrilled and Gasping

## President Calls Game Greatest

By DALA MCKINSEY  
Associated Press Writer

FAYETTEVILLE, Ark. (AP) — President Richard Nixon attended his first college football game this season Saturday as the Texas Longhorns and the Arkansas Razorbacks clashed in Fayetteville and repeatedly said it "one of the greatest games of all times."

Shortly before noon Saturday Nixon was greeted by a crowd of about 6,000 people at Fort Smith who had been standing in a cold drizzle for over an hour waiting for his arrival. The combine Fort Smith Southside and Northside high school bands played "hail to the Chief."

About 20 minutes before the President's plane landed, the press corps from Washington, D.C. arrived by jet and transferred to military helicopters awaiting the 55 miles flight to Fayetteville.

When Nixon stepped out onto the platform from the jet the enthusiastic crowd cheered. He was welcomed by Gov. Winthrop Rockefeller and both men quickly walked to an area roped off for spectators and shook out-thrust hands.

After an introduction by Rockefeller, Nixon thanked the crowd for such a "warm" greeting. He remarked that in staking hands he noticed how cold everyone's hands were and knew that the must have been waiting out in the cold for some time.

He said that he was "non-partisan" about the game. He explained that he was traveling with the Texas and Arkansas Congressional delegations and therefore could not take sides. He then wished the crowd a happy holiday and said that his holiday would probably be centered around Congress.

Nixon then boarded a helicopter for Fayetteville with Rockefeller. Due to inclement weather the Presidential party was delayed and missed the opening plays of the game when Arkansas made a touchdown.

Earlier this week a spokesman for Nixon said the President did not want any "fanfare" about his trip. Nixon himself chose to sit in the stands with the crowds.

During the half-time Nixon joked with ABC television sportscaster Chris Schenkel. After listening to Nixon's evaluation of the game and mid-point Schenkel said, "Mr. President if Bud Wilkinson, our analyst falters we conceivably may call on you to do a commentary."

"Excellent," Nixon said. Then he added: "I'm not thinking, Chris, of what I'm going to do when I finish my present job, but there's nothing I'd like better than to have Bud's job right with you."

Nixon had said earlier in the week that he would present the winning team with a plaque as the nation's top college football team.

Pennsylvania Gov. Ray Shaffer said that the plaque was not accurate because it did not consider that Penn State has a 10-0 record.

Nixon told Schenkel that the game was for the ranking of No. 1 in the nation, then added with a grin, "Incidentally, I say it is for that mindful of the fact that Penn State has given me a lot of flak this week."

Following Texas' winning score in the final minutes of the game, Nixon visited each dressing room.

He told the Texas team: "I said at half-time that both teams were going to score in the second half, and I also said I thought what would determine it would be whether Texas could move the ball in the fourth quarter. The fact that you won a tough game and the fact that you didn't lose your cool and didn't quit makes you deserving No. 1."

In the Razorbacks' dressing room he compared their defeat to his political career.

"I am honored to be here with a great team," Nixon said. "I know how you feel, because in my political life I've lost some close ones and I have won some close ones, but I want you to know that Arkansas was magnificent throughout the game. Texas, in order to win, had to beat a great team."

Nixon then boarded his helicopter for the return ride to Fort Smith.

This time he was greeted by a crowd of about 2,000 who be-

## Raiders Keep Piling Up Victories

By HERSCHEL NISSENSON  
Associated Press Sports Writer

The Oakland Raiders and the Kansas City Chiefs promise to show up for their Red Cross Bowl game next Saturday and they'll be wearing football uniforms, not hospital pajamas.

Darryle Lamonica and Jan Stenerud, two of the healthiest outpatients around, supported their respective teams to victory Sunday and set up the forthcoming battle for the American Football League's Western Division title.

Lamonica got out of a hospital bed and threw three touchdown passes as the Raiders avenged their only defeat of the season — they have an 11-1 record — by defeating the Cincinnati Bengals 37-17.

The Chiefs, 11-2, kept pace, edging the Buffalo Bills 21-19 on the flu-ridden Stenerud's fifth field goal of the game, a 25-yarder with two minutes left.

Elsewhere, San Diego beat Boston 28-18 and Miami downed Denver 27-24. The New York Jets clinched the Eastern Division crown Saturday with a 34-26 triumph over Houston.

Sunday's National Football League scores were: Minnesota 20, Los Angeles 13; Dallas 10, Pittsburgh 7; Cleveland 20, Green Bay 7; Baltimore 17, Detroit 17; Washington 34; Philadelphia 29; New York 49, St. Louis 6 and Atlanta 45, New Orleans 17. San Francisco whipped Chicago 42-21 on Saturday.

Earlier this season, Lamonica was hospitalized with the flu the night before a game against San Diego but got up long enough to pass well as the Raiders won.

This time, he had a pain under his shoulder blade and received heat pad treatment during the game after spending the night in a hospital.

"We were just having a slight drill," said Lamonica, after raising his season total to 33 touchdown passes, three short of the pro record. "I went back to throw and got this bad pain. I couldn't believe it."

3:30	Movie 3	CINCINNATI (AP) — Cincinnati's Pete Rose, the official National League batting champion in 1969, won the crown with a 13-point higher average than in 1968 when he first accomplished the feat.

## This Time Empty Net Proves Boon

By HAL BOCK  
Associated Press Sports Writer  
The empty net—usually a hockey defenseman's nightmare—proved a boon for New York's Jim Neilson and didn't hurt Boston's Dallas Smith.

Smith dove in front of the vacated Boston net to save a potential Minnesota goal in the second period and then scored one himself in the third as the Bruins battled the North Stars to a 2-2 tie.

In other NHL action Sunday, Pittsburgh tripped Toronto 3-2, St. Louis dumped Philadelphia 4-1 and Chicago ripped Detroit 5-1.

In Saturday's action, Minnesota edged Montreal 4-3, Toronto blanked Pittsburgh 5-0, Boston took Chicago 6-1, Detroit dumped St. Louis 5-1 and Los Angeles whipped Oakland 5-3.

The Rangers and Canadiens were tied at 2-2 when Gilbert drew Vachon away from the net by winding up for his slap shot. Then he slipped the puck to Neilson, who had cut for the unprotected net. That goal made it 3-2 and less than a minute later, Gilbert and Neilson set up Jean

## Nixon News Conference to Be on TV

NEW YORK (AP) — President Nixon's televised news conference tonight will be his first scheduled television appearance since Vice President Spiro T. Agnew's attack on TV news analysts that followed Nixon's speech on Vietnam Nov. 3.

CBS said it plans several minutes of summation and analysis by Eric Sevareid and Roger Mudd after the conference, which begins at 9 p.m.

NBC said John Chancellor will offer a brief summary before the network returns to regular programming.

ABC said it will have a brief summary if the news conference ends before 9:30 p.m., to fill out the half-hour. If it runs more than a half-hour, the network will go directly to regular programming.

After the last presidential news conference Sept. 26, CBS had about four minutes of analysis, which 200 of its 203 stations carried. ABC and NBC had brief summaries.

CBS President Frank Stanton said last week that one affiliate station had notified him it would no longer carry network analysis after presidential speeches.

Agnew had charged that network commentators, following the speech with "instant" analysis, made difficult an objective evaluation of Nixon's remarks.

## Black Panthers Wound Two L.A. Officers

LOS ANGELES (AP) — Two policemen were wounded in an exchange of gunfire today as about 300 officers began raids against two Black Panther headquarters and a private home, police said.

Police said they still had not been able to enter the group's main headquarters 2½ hours after the raids began. They described the other buildings as "secured."

## Firearms Record Unnecessary

LITTLE ROCK (AP) — There is no longer any need for dealers to keep records of shotgun ammunition and parts sales.

William Sprecher, the chief special investigator for Arkansas for the Alcohol, Tobacco and Firearms Division of the Internal Revenue Service, cited the Gun Control Act of 1968 and said that ammunition that can be used in both rifles and handguns are the only sales that still must be recorded.

sen over the threshold.

Texas 15, Arkansas 14. One nine-game perfect season carried over into a tenth game. Another nine-game perfect record cut short. Rarely will the colleges bring together another setting like this... big enough to attract the President of the United States. Not unless the NCAA adopts a post-season playoff system.

I can tell you this, though. Go ahead and brag about your Big Ten and Pacific Eight, the Ohio States and Michigan and Notre Dame, Southern Cal and UCLA and even Penn State, I'll just smile smugly because Texas and Arkansas showed the country how to play football on this Saturday in December.

Be proud of your football here in the Ark-La-Tex. We'll stack Arkansas and Texas and, yes, Louisiana State against anybody year in and year out. And throw in Ole Miss, too, because it's close too home.

And if you want to know why we're busting our buttons this morning, it was all there on the television screen yesterday afternoon.

## Bradley Man Hit, Killed by Auto

By THE ASSOCIATED PRESS  
Five persons were killed in traffic accidents on the Arkansas highways during the weekend.

The Associated Press death count began at 6 p.m. Friday and ended Sunday at midnight.

The victims:

—Robert Burner, 75, of near Bradley (Lafayette County) was struck and killed early Sunday while walking along Arkansas 29 south of Bradley.

—Herbert Burns, 23, of near Thornton was killed Saturday when his car went out of control on a rain-slick street in Thornton and struck a tree.

—Frankie Applegate, 27, of near Hope was killed Saturday when his car skidded sideways on U.S. 67 about one mile east of Fulton and was struck broadside by another car.

—Edward Flynn Apple, 34, of North Little Rock was killed Saturday in a two-car collision on U.S. 65 near Jefferson Springs in Jefferson County.

—Junior Elmo Ervin, 46, of near Black Oaks was killed Friday night about three miles south of Caraway on Arkansas 135 when the truck in which he was riding collided with another vehicle.

just blow my mind, especially the cutsy-pie ones.

I mean, I never know which way to turn.

It's no sweat when they come right out and say "Men" and "Women." And I don't mind them getting a little playful with "Guys" and "Dolls," or "Playboys" and "Bunnies," or "His" and "Hers." Man, that's like saying it like it is.

I'm not what you'd call bilingual, or any kind of lingual for that matter, but I can get along pretty good in a foreign country. At least I give it the old college try. I know that I'm a "Mon-sieur" and not a "Madame," and a "Senor" and not a "Senorita" and an "Homme" and not a "Femme."

If you move about in my circles, you just sort of have an instinct for those things. When in Rome, they say... Although the last time I was in Rome, I felt a bit queasy going in the door for "Uomos," and in Germany I was pretty sure I was a "Her-ren" and not a "Damen," but I got a little worried about that middle door marked "Rauchen Verboten."

What really bugs me is when they try to get fancy or sophisticated or whatever they think

## Real Losers in Social Security Increase Are Ones Who Need It Most

Those involved are the 1.181 million old persons and others whose Social Security benefits are so low they are supplemented by state welfare payments.

This is their situation, as described by officials:

## Credit Cards Being Sold Probers Told

WASHINGTON (AP) — Organized crime is profiting from the unsolicited mass mailings of credit cards by selling them on the black market for as much as \$100, a Senate subcommittee has been told.

The subcommittee, headed by Sen. William Proxmire, D-Wis., held a rare Sunday session to hear testimony on bills to restrict or ban the widespread mailing of unasked for credit cards.

Robert L. Mead, a spokesman for the President's Committee on Consumer Interests, said Post Office officials have told him mass mailings of credit cards have caused a 700 per cent increase in mail-fraud cases in recent years.

Dist. Atty. Eugene Gold of Brooklyn, N.Y., said a \$500 price tag has been put on forged identification kits for those seeking to use lost or stolen credit cards.

## Tax Issue Aimed at Labor Unions

By JOE HALL  
Associated Press Writer  
WASHINGTON (AP) — An amendment that would remove much of the political clout from labor unions by eliminating their tax-exempt status is presenting a major stumbling block to an early Senate vote this week on the tax reform bill.

Managers of the bill, now in its third week of Senate debate, say a final vote can be held Tuesday or Wednesday. But the amendment, sponsored by Arizona Republican Sen. Paul Fannin must be dealt with first, and a tough floor battle is expected over the politically charged issue.

Fannin's proposal would deny tax-exempt status to unions and other organizations using members' dues and assessments to support or oppose political candidates or parties.

Fannin insists his amendment

## Land Cases Upheld by State Court

LITTLE ROCK (AP) — The Arkansas Supreme Court today affirmed two Interstate 40 land condemnation cases from Conway County.

Chief Justice Carleton Harris and Associate Justice John A. Fogleman wrote the opinions rejecting the appeals of the Arkansas Highway Commission from decisions rendered in the court of circuit court Judge Russell C. Roberts.

In one case, the Commission claimed 2.75 acres of land owned by Mackie L. Taylor and his wife, Vernie. The jury awarded the Taylors \$23,500.

The commission appealed the judgment on grounds that Roberts erred in refusing to strike the testimony of Taylor and another witness as to the value of the land.

Harris wrote that questioning of the two witnesses indicated that they were knowledgeable authorities on land transactions in the county and that "the very fact that the witness is an expert permits him to express an opinion."

In the other land case, the commission took 14.11 acres from a 271-acre tract owned by

The alleged My Lai massacre, the defeat of the Haynsworth Supreme Court nomination and U.S.-Soviet arms control talks are among the topics expected to be discussed.

## Woman's Body Found in Woods

JONESBORO, Ark. (AP) — Authorities are continuing their search for clues to the identity of the body of a partially decomposed woman discovered Sunday in a wooded area about four miles west of Jonesboro.

The state, in petitioning the Supreme Court for a rehearing or "clarification," said the circuit court had violated a fundamental concept of due process of law by ordering implementation of desegregation plans prepared earlier by the Department of Health, Education and Welfare without holding a court hearing.

The Supreme Court turned down the plea without amplification.

Mississippi had told the high court that no court has ever conducted a hearing on the HEW plans. Additionally, the state contended, the Supreme Court's position in schools has been misunderstood.

## Critics Still Fighting Missile Plan

By JIM ADAMS  
Associated Press Writer  
WASHINGTON (AP) — House military spending critics are mounting a last ditch campaign to block deployment of the controversial Safeguard antimissile system, a campaign they're almost sure to lose.

They're also trying to strike the Advanced Manned Strategic Aircraft (AMSA) bomber and a host of other major weapons system from the \$70 billion defense appropriation that went to the House floor today.

But no effort was expected against the cluster nuclear warhead MIRV, which has \$84 million in the defense bill.

The House Appropriations Committee already had moved to steal some of the critics' thunder by cutting the bill \$5.3 billion, the deepest slash in a defense bill since 1963.

The bill contains \$779 million to begin deploying Safeguard antimissile—ABM—sites in Montana and North Dakota.

## 170 Enemy Killed by Americans

By GEORGE ESPER  
Associated Press Writer  
SAIGON (AP) — American air cavalrymen and airmen dogging North Vietnamese troops along a 100-mile stretch of the Cambodian border north of Saigon killed 170 of them in a dozen clashes over the weekend, military spokesmen said today.

Much of the attacking was done by rocket firing helicopter gunships, dive-bombers and artillery, and as a result, U.S. casualties were held to three killed and 18 wounded, the spokesmen said.

The heaviest action occurred in War Zone C, 58 miles northwest of Saigon, and near the Bu Dop Special Forces camp 88 miles north of Saigon.

Official sources said the North Vietnamese were trying to protect the infiltration corridors from Cambodia, and several fights were triggered by enemy fire on scout helicopters flying at treetop level.

There are no reports of any helicopters being shot down.

About 40 American B52 bombers attacked North Vietnamese base camps and gun positions along the Cambodian border during the night, unloading more than 1,000 tons of explosives. The targets were 4½ miles northeast of the Bu Dop camp and within two miles of the Cambodian border.

The camp has been the target of sporadic shelling for more than a month. Five rockets hit the camp's airstrip Sunday, killing six Vietnamese and wounding 12 as they waited for helicopters. "Light" American casualties also were reported.

## Court Refuses to Amplify School Order

WASHINGTON (AP) — The Supreme Court refused today to reconsider or amplify its Oct. 29 decision that required school districts in Mississippi to operate, at once, only "unitary schools."

The U.S. Circuit Court in New Orleans followed the decision Nov. 6 by ordering desegregation of public schools in 27 districts by the end of 1969 and in three other districts by next fall.

The state, in petitioning the Supreme Court for a rehearing or "clarification," said the circuit court had violated a fundamental concept of due process of law by ordering implementation of desegregation plans prepared earlier by the Department of Health, Education and Welfare without holding a court hearing.

The Supreme Court turned down the plea without amplification.

Mississippi had told the high court that no court has ever conducted a hearing on the HEW plans. Additionally, the state contended, the Supreme Court's position in schools has been misunderstood.

# Broyles Admits 2-Point Play Was Guffy

By DENNE H. FREEMAN  
Associated Press Sports Writer  
FAYETTEVILLE, Ark. (AP) — It was hours after the sting of defeat and Arkansas coach Frank Broyles was reflecting on the play that turned Texas into the probable national champion and gave the Longhorns a ticket to the Cotton Bowl.

"It was real guffy," said Broyles. "You've got to hand it to 'em. They decided to go for all the marbles right there."

Broyles was speaking of Texas' bomb on a fourth and 3 situation from the Longhorn 43 with less than five minutes remaining.

Texas quarterback James Street, who has guided the Longhorns to 19 consecutive victories, found end Randy Peschel with a 44-yard strike to the Razorback 13. Two plays later Jim Bertelsen scored from the two and Happy Feller kicked the point for a 15-14 victory.

"That Street is one of the most exceptional players I've ever seen," said Broyles, who hosted a group of sports writers for dinner although he wasn't in the most festive of moods.

Texas coach Royal admitted the play was a bold gamble with Arkansas leading 14-8 at the time.

"Every now and then you just have to suck it up and pick a number," Royal said. "You don't use logic and reason. You just play a hunch."

With the victory over the second-ranked Razorbacks, who swarmed the Longhorns and shut down their offense for three quarters, Texas is a shoo-in to finish at the top of The Associated Press final regular season poll.

But Texas must uphold the ranking against Notre Dame in the Cotton Bowl New Year's Day because there is another poll after all the bowl games. Undeclared Penn State meets Missouri in the Orange Bowl and the Nittany Lions feel they have a claim to the national title.

Broyles said "The game was a fitting climax to college football's 100th birthday. I know it was the most exciting day of my life."

President Nixon agreed, saying it "was one of the great games of all time."

Texas was given a plaque by the President designating it as the No. 1 team and this didn't settle too well in Pennsylvania.

In fact, editors of the Penn State newspaper sent hundreds of telegrams to the White House, protesting Nixon's action.

# Kentucky, UCLA Are Favorites

By MIKE RECHT  
Associated Press Sports Writer  
The basketball marked No. 1 is already taking crazy bounces after only one week of the college season and now that it seems headed for Kentucky or UCLA, coaches Adolph Rupp and John Wooden aren't too certain they can hang on.

Either the Wildcats of Rupp or the Bruins of Wooden appear headed for top ranking in the weekly Associated Press major college poll after No. 1 South Carolina was beaten by Tennessee 55-54 and No. 3 Purdue lost to Ohio U. 80-79 Saturday night.

Kentucky, No. 2, enhanced its standing by clubbing Kansas 115-85 while No. 4, UCLA nipped Minnesota 72-71 in overtime.

"Come to think of it," Rupp said when giving South Carolina's loss some thought, "that doesn't make me too happy. We have to play Tennessee twice."

However, tonight Rupp must worry about seventh-ranked North Carolina, which routed Mercer 100-52 and has beaten Kentucky in their last four meetings.

Wooden also sees rougher times ahead, calling his team overrated by noting the loss of three regulars, including Lew Alcindor, to graduation.

He felt his team was lucky to beat the Gophers on Henry Bibb's basket with 44 seconds left in overtime after Sid Wicks had tied the score with two seconds remaining in regulation time.

Meanwhile, Frank McGuire, South Carolina's coach, looked at the bright side of a defeat to the unranked Vols. "Losing was a heartbreaker," he said, "but it relieves the pressure. We'll bounce back."

Purdue got 29 points from Rick Mount, but never caught up after John Canine's basket put Ohio ahead 77-76 with 1:37 left.

Hoping to move up at the expense of South Carolina and Purdue are Davidson, New

# Caps Have the Most One-sided Game of Year

How the mighty have fallen. Last season, the Oakland Oaks were champions of the American Basketball Association. Today, playing as the Washington Caps, they hold the record for the most one-sided defeat in the league's three-year history, a 143-92 trouncing Sunday night by the Dallas Chaparrals.

By winning, the Caps also moved past the Caps into second place in the Western Division. Glen Combs led the winners with 27 points, Cincy Powell had 26 and John Beasley and Manny Leaks 21 each.

Elsewhere, Carolina downed Miami 136-123, Indiana beat Los Angeles 108-99, Pittsburgh nipped Kentucky 92-90 and New York stopped Denver 102-96.

In the National Basketball Association, it was Atlanta 104, Los Angeles 103 and Detroit 118, Phoenix 113.

Two newly acquired players — Larry Miller and 7-foot Rich Niemann — helped Carolina defeat Miami. Miller hit on 14 of 18 shots and scored 36 points while Niemann, just dropped by Boston of the NBA, grabbed 19 rebounds.

Indiana opened a 12-point lead in the second period and breezed past Los Angeles. Roger Brown paced the winners with 30 points while Wayne Hightower had 31 for the Stars.

Another newcomer, Pittsburgh's Maurice McHartley, sank two free throws with 54 seconds left to get the Pipers by Kentucky. John Brisker scored 21 points for the winners while Tom Washington had 18 points and 21 rebounds.

New York made it nine victories in 11 games as Lavern Tart

Mexico State, North Carolina, Marquette and Villanova — Nos. 5 through 9 — after victories Saturday night.

Davidson had the roughest time before subduing Michigan 91-85. New Mexico State rolled past Baylor 102-83, Marquette slammed Wisconsin-Milwaukee 86-58 and Villanova topped Princeton 60-46.

Colorado, No. 10, was beaten Friday night by 10th-ranked Southern California 88-74. USC, a threat to UCLA in the Pacific-8 Conference, also walloped Vanderbilt 108-89 the next night.

St. John's No. 14, was the only team in the second 10 to lose last week, falling to Temple. Duquesne, No. 11; Santa Clara, No. 12; Notre Dame, No. 13; Louisville, No. 15; St. Bonaventure, No. 17; Ohio State, No. 18; Drake, No. 19, and Houston, No. 20, all emerged unscathed.

Kentucky might not have the busiest week ahead, but certainly the toughest, with North Carolina tonight and Indiana Saturday night. North Carolina faces Florida State Saturday.

UCLA should stay unbeaten against Miami of Florida and Texas in weekend games, but New Mexico State must get by New Mexico tonight, Brigham Young Thursday and Arizona State Saturday. Marquette has no easy task against Michigan tonight, Drake Thursday and North Texas State Saturday.

Davidson is idle and Villanova has only North Dakota Wednesday.

South Carolina expects to regain some prestige against Erskine tonight, East Carolina Wednesday and Virginia Saturday.

# SWC Cagers Not Faring Very Well

By THE ASSOCIATED PRESS  
Southwest Conference basketball teams, already behind 7-8 in games against inter-sectional competition, take on some stiff opponents this week with unbeaten Texas and Texas Tech drawing the top assignments.

Texas, the pre-season choice to win the SWC crown, will play defending NCAA champion UCLA Saturday during a West Coast swing. The Bruins are ranked fourth in The Associated Press' pre-season poll.

Tech, which opened with victories last week over Houston Baptist and Tulane, tangles with 10th ranked Colorado Saturday.

Of more immediate concern is tonight's five-game card that includes such toughies as Southeastern Conference power Vanderbilt and Arizona of the Western Athletic Conference.

Baylor plays at Arizona and Southern Methodist hosts Vandy. In other games tonight Midwestern is at Texas A&M; Tulane is at Texas; and Oklahoma is at Texas Tech.

Baylor's Bears, ranked a strong contender for the SWC title, missed a chance to gain national attention last Saturday when they lost to New Mexico State, 102-83.

The Aggies, ranked No. 6 in the AP pre-season poll, outgunned the Bears with a 50.6 per cent average from the field to 37.8 for Baylor.

In other games Saturday Tex-

as Christian overpowered Loyola of New Orleans 83-63; Wisconsin nipped SMU 70-59 on a field goal in the final 28 seconds and Tech nipped Tulane 82-80.

# Questions on My Lai Are Expected

WASHINGTON (AP) — President Nixon comes down from his snow-covered mountain retreat today to face a news conference and reporters who have had two-and-a-half months to prime themselves with questions since their last formal meeting with the chief executive.

Much has happened since Nixon's last news conference Sept. 26 to spark tonight's questions — the alleged massacre of civilians by American soldiers at My Lai in Vietnam, the defeat of the Haynsworth Supreme Court nomination, the start of U.S.-Soviet arms control talks, continued inflation and several other Vietnam developments.

The President spent the last part of his weekend at his Camp David lodge in the Maryland mountains preparing for the 9 p.m. EST news conference, with only a few aides present. Three to four inches of snow fell in the area before Nixon's scheduled departure today.

In announcing the news conference, his eighth since taking office, the White House said only that Nixon would have no opening remarks and would go straight into the questioning.

# Wants Negroes on Boards

By THE ASSOCIATED PRESS  
LITTLE ROCK (AP) — The director of the Voter Education Project is urging minority group organizations to make certain that a Negro is on the ballot in the various school board elections in March.

Elijah Coleman of Little Rock recently sent letters to several groups pointing out that there are 65 counties in the state with a majority of Negro residents, but that only seven of the school districts in the counties have Negro school board members.

# No Complaints About Turmoil on Campus

HARRISONBURG, Va. (AP) — The campus of Eastern Mennonite College was in turmoil for the third day in a row today, but not a soul was complaining.

Coeds poised for invasion of the home economics building and a final assault on their goal of baking hundreds of pies, cakes and cookies by nightfall.

Male students girded for penetration of the town and countryside to chop wood, wash cars, clean up yards, do odd repairs, and knock on doors for donations.

It all began Friday when college trustees announced they were \$110,000 short of the \$400,000 needed to approve plans for a new \$1.5 million college library. Tonight was the deadline the trustees had set for the fund raising.

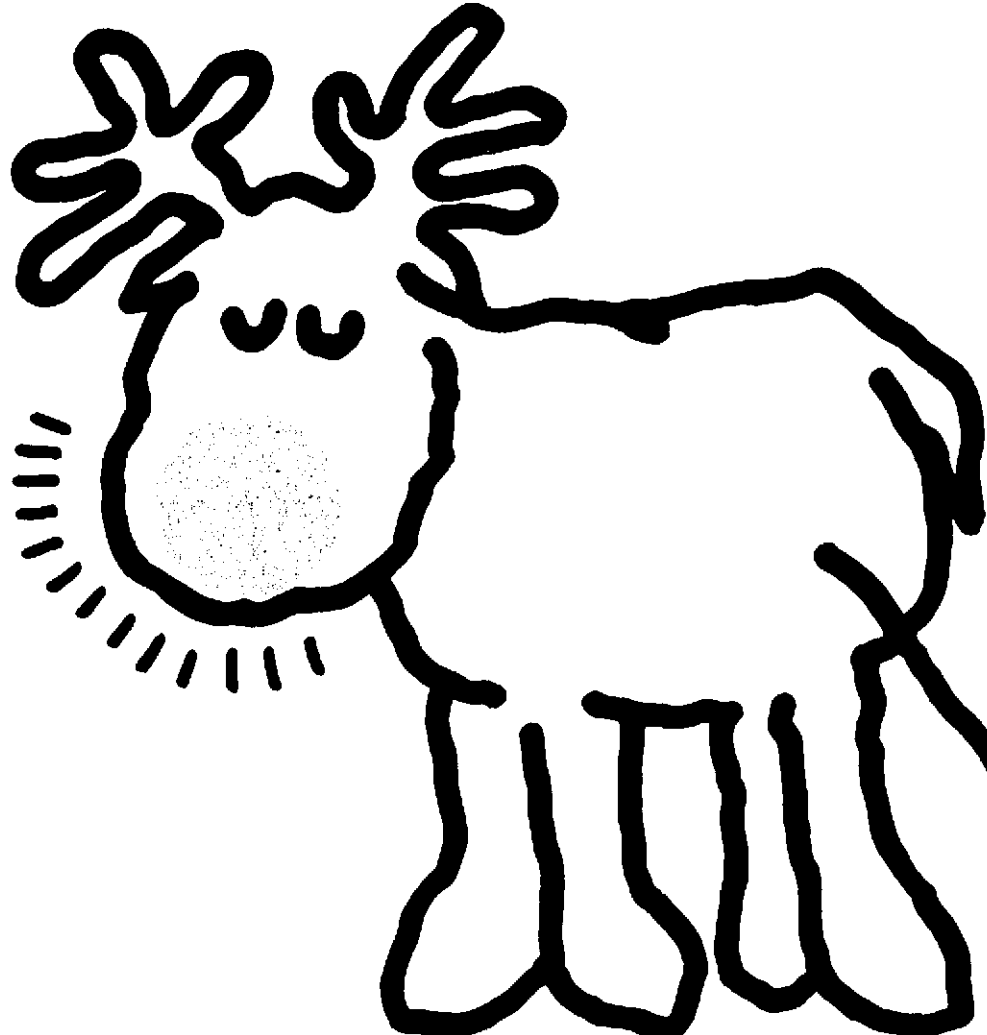

By early Saturday, the word was out and so were the students, all 950 of them, all over town.

One man paid \$1,000 to a student for chopping wood. Several others agreed to have their cars washed and waxed for \$200.

Coeds became housemaids. Male students became butlers and yardmen. A few even hired out as singing messengers.

By 1 a.m. today, the drive had netted \$54,000, a college spokesman said.

Efforts were to be redoubled today and would be capped with a three hour auction sale on campus tonight.
